

Nice
meeting
you!

Let us show you the world of Evoko

We really love meetings. Getting together and making things happen. Today it's a vital discipline, but we still feel that much could be improved.

Evoko are Swedish, design-driven innovators dedicated to making professional gatherings smoother, more cost-efficient and stylish. We want to give you the perfect setup for magnificent meetings.

The rest is up to you.

Evoko Liso

Evoko Liso is the new intelligent touch-screen solution for all your meeting rooms. Making sure they're being used in a truly effective way. Book easily with your favorite digital calendar, or directly on the screen. Smooth, helpful, bright.

THE NEXT GENERATION
ROOM MANAGER

Evoko Minto

Evoko Minto makes sure everyone is heard – no matter the direction or distance. All thanks to a patented sound technology. Ready to connect with your mobile phone, tablet or laptop. Colors and voice feedback guide you. Simple, wireless, smart.

WELCOME TO A NEW ERA
IN PHONE-CONFERENCEING

Evoko Groupie

Evoko Groupie is the portable wide angle illumination lens that you can attach to any device. It sticks easily on the existing camera – enlarging and lightening up the field of view. Making everyone in the meeting clearly visible. Small, enlightening, sharp.

PUTS YOU IN THE PICTURE

Meetings made magnificent
